

# NEMI Day 2023 “Imaging Processes”

The Netherlands Electron Microscopy Infrastructure (NEMI) is happy to invite you to the **2023 NEMI day on October 12<sup>th</sup> in Eindhoven!** This year’s theme will be ‘Imaging Processes’ focusing on scientific research that investigates the dynamic nature of specimens.

- 10:00-10:30 Reception with coffee & tea
- 10:30-10.45 Welcome
- 10:45-12:15 Dr. See Wee Chee (Fritz Haber Institute Berlin)  
3 contributed lectures
- 12:15-13:30 Lunch + Posters + Networking
- 13:30-15:00 Prof. Rouslan Efremov (VIB-VUB Center for Structural Biology)  
3 contributed lectures
- 15:00-15:30 Coffee + tea
- 15:30-16:30 Dr. Wiebke Albrecht (AMOLF)  
Dr. Alexander Belyy (RUG)
- 16:30-17:30 Drinks

**IF YOU WANT TO PRESENT YOUR RESEARCH AT THE NEMI DAY  
PLEASE REGISTER BEFORE 22 SEPTEMBER!**

Prior to the NEMI day a site visit to Thermo Fisher Scientific is organized from 9:00 to 10:30h. Signing up is part of the registration. Places will be limited and allocated on a first-come-first-serve basis. We encourage particularly early-career scientists to attend!

October 12<sup>th</sup>, 2023
