

# Core Facility Day 2025

Netherlands Society  
for Microscopy

UMC Utrecht

## Cross fertilization among core facilities

Utrecht BioImaging hosts the NVvM 2025 Core Facility Day. Join us for talks on the latest technological & application developments, followed by tours at Utrecht BioImaging. Workgroup discussions will give bottom-up action points for the NVvM to solve bottlenecks at core facilities united in microscopy.nl. After an exciting performance by Lukas Kapitein, we end with an informal borrel for further networking and cross fertilization.

**Date & venue:** April 2<sup>nd</sup> 2025, David de Wiedgebouw, UU, Utrecht

**Target:** Staff from Dutch microscope core facilities and/ or microscopy research labs, but all NVvM members (academic and industry) are welcome

**Goal:** Networking & cross fertilization for core facilities & staff

**Agenda:** We welcome your participation/ talk/ workgroup/ discussion & suggestion during the day!

**Keynote:** Lukas Kapitein (UU)  
*Using light to dissect and direct cellular organization & dynamics*

**Facility Tours:** UMCU and UU microscope core facilities (LM & EM)

**Register:** Please [register](#) before March 1<sup>st</sup>

**Fee:** €50 | Free for NVvM members (info: [microscopy.nl](#))

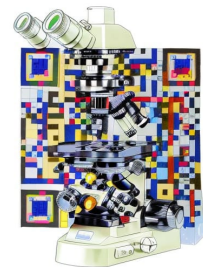

Hope to see you soon in Utrecht!

# Core Facility Day 2025

Netherlands Society  
for Microscopy

UMC Utrecht

## Program - Tentative

**Date & Venue:** April 2<sup>nd</sup> 2025 @10:00 to 18:00  
David de Wiedgebouw, Universiteitsweg 99, Utrecht

9:30 Welcome

10:00 Ben Giepmans

***Opening***

10:05 Ilya Grigoriev

***Biolmaging Utrecht***

10:20 Corlinda ten Brink

***EM and CLEM for life sciences***

10:50 Chris Schneijdenberg

***EM for material sciences***

11:10 Tobias Dansen

***Ethics & AI 'improving' images***

11:30 Industrial partners

***Company pitches***

12:00 Lunch

12:45 **Tour of facilities**

Cell Microscopy Core: EM, UMCU

Electron Microscopy Center: EM, UU

Biology Imaging Center: LM, UU

14:45 **Workgroups discussions:**

Your topic here

.. or here...

...or maybe here...

Negotiations with vendors

Financial aspects of running CFs

15:30 **Take home messages from Workgroup discussions (plenary)**

16:00 Lukas Kapitein (UU)

***Using light to dissect and direct  
cellular organization & dynamics***

16:25 Closing remarks

16:30 Borrel

### **Organizers Utrecht:**

Corlinda ten Brink

Ilya Grigoriev

Eugene Katrukha

Ruben Schmidt

Chris Schneijdenberg

Ernest van der Wee
